Traffic changes on Campbelltown Road, Bardia

How will the work affect you?

Our work may be noisy at times including saw-cutting, jack-hammering and breaking up concrete but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight and staging them in different locations.

Traffic changes

Upon completion of the works, access to the old Macdonald road from Campbelltown Road will be permanently closed. The new Macdonald Road intersection will be open to traffic and will provide pedestrian and vehicular access to Bardia Public School and surrounding residents.

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Bus Stop Changes

Bus stops, ID 2565634 and ID 2565656 on old Macdonald road will be relocated to the new Macdonald Road from Tuesday 28 May. We have included these changes on the above map.

Thank you for your patience during this important work.
